

Fenland Future Ltd

# Community Consultation

Fenland Future are working with a team of consultants to bring forward a scheme proposals for land East of The Elms. The site is allocated in the 2014 Fenland Local Plan and forms part of the East Chatteris Strategic Allocation.

The submission will be an outline application with all matters reserved other than access. A number of supporting reports will be prepared in support of the application and will be submitted with the application once completed.

**NORR**

**Tt** TETRA TECH

# What would you like to see?

Prior to submission we would like to understand what matters most to surrounding residents when considering how this site will be developed. We have set out a series of questions on an accompanying flyer which can be returned by post or comments maybe provided via the dedicated website.
