**Do Not Scale**  
 Drawing to be read in conjunction with relevant consultant & specialist drawings / info.  
 The structural integrity of the design is to be verified by Building Control and if necessary a structural engineer.  
 Dimensions to be verified on site before commencement. Discrepancies to be reported immediately.  
 No liability to third party arising out of unlawful reproduction of this drawing or use of reproduction of this drawing.

**Hazards:**  
 It is not anticipated that CDM applies to this project, however the following hazards must be addressed with regard to health & safety.

- x Live services
- x Excavations
- x Handling major components
- x Working at height
- x Machinery & Equipment

This list is not exhaustive, and all hazards associated with building construction must be addressed.
