1:100

Do Not Scale
Drawing to be read in conjunction with relevant associated
drawings.
The principal design of this project is to be verified by
Building Control and if necessary a structural engineer.
Consentance is to be obtained from the relevant authority.
Discrepancies to be reported immediately.
No liability is to be accepted for any errors or omissions
of the drawings or use of reproduction of the drawings.

Health & Safety
It is not intended that this drawing be used for construction
without the drawings in accordance with the conditions of
contract and the Building Regulations.

- Use services
- Excavation
- Working near neighbours
- Working at height
- Machinery & Equipment

This list is not exhaustive and all tasks to be carried out with
building construction must be well planned.
